

# Ways to Vote

There are 3 ways to vote in an election:

1. By mail-in-ballot. A ballot is a form use to cast your vote.
2. Going to a voting booth at a polling place. A polling place is where you can vote.
3. Mailing in an absentee ballot. Absentee ballots are for citizens living overseas, like soldiers.

Complete and color the dot-to-dot to below.

How do your family members vote?
